

Muhammad Faisal Rafique

Profile

To work in an organization that requires dedication and hard work from the individuals and in turn offers competitive environment of continuous learning as well as skills development that transforms the simple personality to a result-oriented professional. I want to serve organization with all my capabilities and enthusiasm. The aim behind becoming a criminologist was to cater the increasing crime level in the country and also to find out the best possible solutions to curtail such crimes, also having a experience of different organizations.
